

Tableau Cloud Sign-in Error

If you see the screen below, your browser is blocking the token and your settings need to be adjusted.

The image shows a Tableau Cloud sign-in interface. At the top is the Tableau logo, which consists of a cluster of colorful plus signs followed by the word 'tableau' in a blue sans-serif font. Below the logo is the text 'Sign in to Tableau Cloud'. Underneath this is a label 'Username' followed by a white rectangular input field. Below the input field is a checkbox with the text 'Remember me' to its right. At the bottom of the form is a large blue button with the text 'Sign In' in white. Below the button is a link that says 'Sign Up' in blue text.

Browser Security Settings

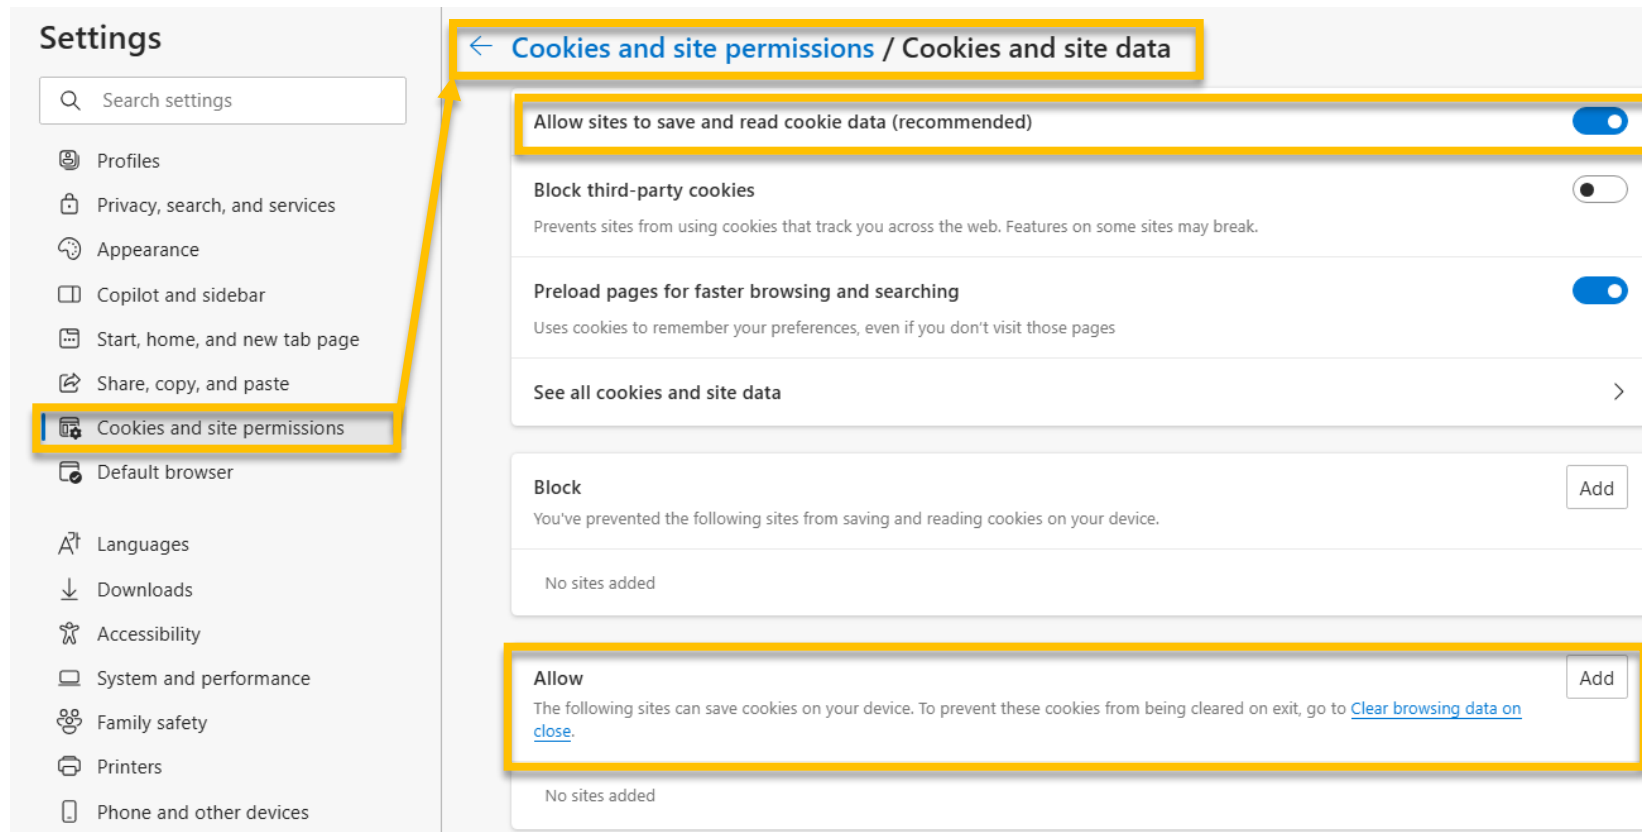

IMPORTANT!!!

Note: Certain browser settings may prevent the advanced report links on this page from loading. Your browser's privacy and security settings must be configured to allow third-party cookies for these reports to load.

The webpage (<https://edudata.fldoe.org/AdvancedReports.html>) creates and passes a token to Tableau Cloud so that a license is not required to view the report. Bookmarking a report does not work in Tableau Cloud.

1. Navigate to your browser's Settings.
2. Click "Privacy and security" (Chrome) or "Cookies and site permissions" (Edge).
3. Allow sites to save or read cookie data OR add <https://edudata.fldoe.org/> as an exception.

Edge Browser Example

Mobile Device Browser Security Settings

- **Safari on iOS:** Go to Settings > Apps > Safari > Privacy & Security > Uncheck “Prevent Cross-Site Tracking” AND Settings > Apps > Safari > Advanced > Uncheck “Block All Cookies.”
- **Chrome on Android:** Open Chrome, tap More (three dots), then Settings. Go to Privacy and Security, then Third-party cookies, and select “Allow third-party cookies.”
- **Other Browsers:** Refer to the specific browser’s help documentation for enabling third-party cookies.
